# FAI LA DIFFERENZA 4 VOLTE *MAKE THE DIFFERENCE 4 TIMES*

GENTILE AMICO,

con un po' di attenzione in più puoi fare la differenza 4 volte:  
dividendo i tuoi rifiuti rispettarai la natura, il lavoro degli ormeggiatori,  
la bellezza del posto e l'aria che tutti respiriamo.

DEAR FRIEND,

*with a little more care you can make the difference 4 times:  
dividing your garbage you will respect the nature, the marina operators  
work, the place beauty and the air we breathe.*
